Situated on the north side of East Salisbury Street facing south is a two story, four bay, log house. It has a standing seam tin roof, horizontal aluminum siding, two over two double arched top sashes with the door in the west position of the south facade. A shed roof porch extends across the front wall. This building was remodeled in the late 19th century and again in the 20th century, but retains much of its original earlier 19th century form.
